Key Insights

6000	56.32%	631.50K	35.74	3379	55.11%
Total Listings	Sell-Through %	Avg Listed Price	Avg Days to Sell	Cars Sold	Value Retention %

- In this dataset, **Toyota retains the most value** (about 60% of new price), while Skoda, Renault and MG retain the least.
- **Maruti Suzuki and Hyundai models dominate sales**, with Dzire, Creta, Brezza, Swift and Ertiga as the top 5.
- **Petrol makes up about 57% of listings**, followed by diesel at about 32%. CNG and electric are small segments.
- **Listed prices fall as km driven rises**, and high-priced cars tend to have lower mileage.
- **About 56% of listings sell,** taking around 36 days on average.
